Dear Parents/Guardians

A rollout of devices plan has been put together that will enable all families to receive first-hand information about the rollout and for your students to receive their personal device.

Information sessions and device hand-outs for each sub-school will be held on the dates listed below. These information sessions will be held in the Main Auditorium in the Senior School. Please enter the School via the Fern Grove Boulevard entrance and then drive in the main car park to your left. Disabled car parking is available next to the auditorium. Please follow the signs.

It is vital that every family whose student is receiving a new device comes to one of the designated information evenings listed below. Students will not receive a new device if their parents/guardians have not attended one of these sessions and signed a Device Agreement. If for any reason you are unable to attend any of these sessions, please contact the relevant sub-school.

**Junior School – Year 4 students/families**
There will be three (3) Junior School information sessions for all Year 4 families. Families need to book by using the Try Booking link at [http://www.trybooking.com/GNQC](http://www.trybooking.com/GNQC). You only need to attend ONE of these three sessions. As the iPads need to be configured on the night, a maximum 30 families will be allowed to book for each session so that appropriate support can be given to each family. A total of 90 new iPads will be issued.

- Tuesday 10 February - 6:30pm
